

## 6 Basic First Aid Skills To Learn At Your Convenience!... and Make A Difference

Accidents have no timeline. They happen to anyone, at any time. People in the US die of reasons like unattended sudden cardiac arrest, undetected internal bleeding, choking, gasping, and more. That is harrowing! But you can be the one to make a difference and save a life in the most valuable seconds of someone's life out there with limited help. That's with 6 basic first aid skills listed below to learn from the comfort of your home and internet-enabled smart devices.

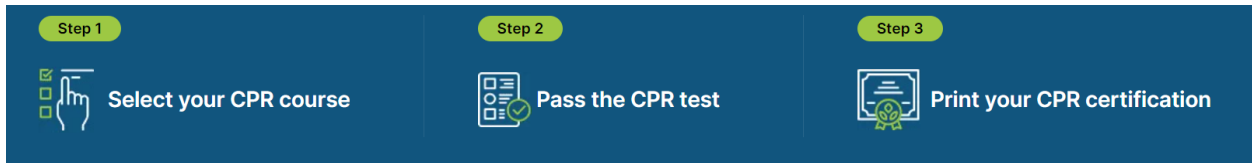

### 6 Basic First Aid Skills You Can Learn At A Click & For FREE:

1. CPR on Adults, Infants, and Children
2. Using an AED on sudden cardiac arrest patient
3. Controlling bleeding
4. Helping a patient in times of stroke
5. Helping someone with a severe allergic reaction
6. The Heimlich Maneuver
